The image is a promotional graphic for the Nintendo Switch Launch Edition of the video game 'The Binding of Isaac: Afterbirth+'. At the top left, the game's title 'ISAAC + AFTERBIRTH' is displayed in a stylized, orange font. To the right, the text 'NINTENDO SWITCH LAUNCH EDITION!!!' is written in large, bold, red letters. Below this, a central message in white text reads 'Two FREE STICKER SHEETS AND COLLECTIBLE ALTERNATE BOX ART!'. On the left side, there is a circular sticker featuring a character's face with large eyes and a wide, toothy grin. Below the sticker, the text 'FEATURING LIITH, EDEN, MAGGIE, APOLLYON, AZAZEL & ISAAC!' is written in a white, handwritten-style font. An arrow points from this text to a collection of various character stickers and trinkets, including a red devil-like character, a yellow character with a crown, a white character with a skull, and a black character with a bomb. To the right of the stickers, two alternate box art designs for the game are shown, featuring different character art styles. At the bottom, the text 'BONUS TRINKETS IN LAUNCH EDITION ONLY!' is written in red, and 'DON'T BE AN EGG... PRE-ORDER YOURS RIGHT NOW!' is written in white. The background is dark with a subtle gradient.
